

## Questions and answers from June 23, 2023, Bidder's Conference

Are there criteria other than technically acceptable and lowest price?

This is the only criteria that we look when deciding on awards.

What are the new catchment areas?

Placer and Nevada Counties - Substance Abuse and Mental Health Treatment Services

Madera County - Substance Abuse and Mental Health Treatment Services

El Dorado County – Sex Offender Treatment. There is a current provider offering limited services, but we are soliciting to expand the services offered

Break Down of number of males, females, pretrial consumers?

We do not have a brake down, the EMQs are based on the over all total between the two agencies and include male and female.

Telehealth for lack of access, transportation, language income?

Telehealth is part of the RFP now, but it is on a case be case bases and up to the officer to decide. The preference is in-person sessions
