**RE: REQUEST FOR PROPOSALS
RFP NO. 0972-19-11SM**

Program Administrator,

The United States District Court for the Eastern District of California is soliciting proposals to provide aftercare treatment services for male and female Federal defendants and offenders. These individuals include persons on probation, supervised release, or parole, who are under supervision of the United States Probation Office. This group may also include persons on pretrial release, under supervision of the United States Pretrial Services Office.

This solicitation was first offered on August 3, 2018. However, no proposals were received and has been reissued. Offerors now have another opportunity to submit a proposal to this solicitation.

Enclosed is a Request for Proposal (RFP). The RFP contains the full text of all applicable government regulations, and all offerors are subject to the provisions contained in the RFP. In responding to the RFP, answer each item fully and supply all information requested. Please read the RFP carefully. Do not rely on your knowledge of previous RFPs, or knowledge or other Federal procurement procedures.

Your initial offer should contain your organization's best terms from a price and technical standpoint. There will be no opportunity to modify your proposal once it has been submitted, unless clarification is needed or discussions with all vendors are required. A Blanket Purchase Agreement (BPA) will be awarded to a vendor determined to be **technically acceptable**, based on the evaluation criteria contained in Section M, **and** the total **lowest cost to the government**, calculated over the projected three-year life of the agreement.

Although the government may choose to enter into a BPA with multiple vendors within a solicitation area, the government reserves the right to award to a single vendor. The term for this BPA is twelve (12) months, with a provision that shall allow the government to unilaterally extend the agreement for an additional two (2) years, at twelve (12) month intervals, at the government's discretion.
