Dear Sex Offender Treatment Providers

**RE: FY-2019 MARKET SURVEY
 RESPONSE REQUESTED**

The United States Probation Office, Eastern District of California, is conducting a market survey to determine the availability of services in your area. We may wish to procure sex offender treatment services for adult federal defendants and offenders in Fiscal Year (FY) 2019, which begins on October 1, 2018.

During this initial stage of the solicitation process, our office is notifying interested treatment providers of our intent to seek services. However, conducting this market research does not obligate the United States Probation Office to solicit for any services.

For the FY-2019 solicitation cycle, we may solicit for services in the following catchment areas:

- Shasta County
- Butte County
- Placer & Nevada Counties
- Sutter & Yuba Counties
- Solano County
- El Dorado County
- Sacramento County
- San Joaquin County
- Stanislaus County
- Merced County
- Kern County

On or about May 15, 2018, the Administrative Office of the US Courts will formally post a pre-solicitation notice on the Federal Business Opportunities website: www.fedbizopps.gov. You may go to "Business Opportunities" and search for "Administrative Office of the US Courts," to view the notice. It is a notice **only**, and does not contain the RFP. Contact this office to request an RFP. Requesting an RFP does not obligate your agency to participate in the solicitation.

In addition, you will find important vendor information posted to our Internet website at www.caep.uscourts.gov, including:

- Contact Information
- Treatment Services Forms
- Prior Solicitations
- Treatment Presentations

If your agency does not provide services to federal defendants and offenders, and wish to be removed from the market survey list, please send me an email.
