RE: FY-2026 PRE-SOLICITATION NOTICE

Dear Service Providers,

The United States Probation and Pretrial Services Office for the Eastern District of California intends to procure treatment services for federal defendants and persons under supervision using Blanket Purchase Agreements. Agreements are for the period beginning October 1, 2025, through September 30, 2026, with a provision for the Government to unilaterally extend the agreement in accordance with Section I, Clause 2-90D, Option to Extend the Term, for an additional four years, at four twelve-month intervals. Required services include but are not limited to urine collection/testing; case management; assessments/evaluations; counseling in the areas of substance use, mental health, co-occurring disorders, and sex offense; polygraph examinations; physical examinations; outpatient and inpatient detoxification; medication; short- and long-term residential placement; transportation expense.

Interested offerors should submit an email of interest to procurement@caep.uscourts.gov and samantha_washington@caep.uscourts.gov that includes the offeror's agency name, point of contact(s), telephone number, e-mail address for point of contact(s) and Solicitations Catchment areas interested in receiving notices. On or after June 23, 2025, Request for Proposals (RFP) will be posted on the agency's web page at [Solicitations | Eastern District of California \(uscourts.gov\)](https://www.uscourts.gov/solicitations).

You are receiving this email because your agency has been identified as a potential service provider. We identified your agency through the Substance Abuse and Mental Health Services Administration (SAMHSA), the California Sex Offender Management Board (CASOMB), the internet, and/or because your agency is a current service provider.

Interested offerors must respond on time to solicitation deadlines and clearly show: (1) they can provide services within the catchment area with a facility available for use, (2) such services will be provided by professionals meeting the experience and criteria required, and (3) prices of such treatment shall be as low or lower than those charged to the offeror's most favored customer for comparable quantities under similar terms and conditions.
